**AN EASY WAY TO KEEP WELL.**  
It is easy to keep well if we would only observe each day a few simple rules of health.  
The all important thing is to keep the stomach right and to do this it is not necessary to diet or to follow a set rule or bill of fare. Such pampering simply makes a capricious appetite and a feeling that certain favorite articles of food must be avoided.  
Prof. Wicheold gives pretty good advice on this subject. He says: "I am 65 years old and have never had a serious illness, and at the same time my life has been largely an indoor one, but I early discovered that the way to keep healthy was to keep a healthy stomach, not by eating bran crackers or dieting of any sort; on the contrary I always eat what my appetite craves, but for the past eight years I have made it a daily practice to take one or two of Stuart's Dyspepsia Tablets after each meal and I attribute my robust health for a man of my age to the regular daily use of Stuart's Tablets."  
My physician first advised me to use them because he said they were perfectly harmless and were not a secret patent medicine, but contained only the natural digestives, pepsines and diastase, and after using them a few weeks I have never ceased to thank him for his advice.  
I honestly believe that the habit of taking Stuart's Dyspepsia Tablets after meals is the real health habit, because their use brings health to the sick and ailing and preserves health to the well and strong.  
Men and women past fifty years of age need a safe digestive after meals to insure a perfect digestion and to ward off disease, and the safest, best known and most widely used is Stuart's Dyspepsia Tablets.  
They are found in every well regulated household from Maine to California and in Great Britain and Australia are rapidly pushing their way into popular favor.  
All druggists sell Stuart's Dyspepsia Tablets, full sized packages at 50 cents and for a weak stomach a fifty cent package will often do fifty dollars worth of good.

**NO STRIKE ORDERED.**  
Pittsburg, March 29.—There will be no strike on the Monongahela Traction lines for the present, at least. This much was decided at a meeting held at 2 o'clock this morning. National President Mahon, chairman Grunsky of the United Labor League, and the other leaders present postponed action until the return from the south of W. L. **REFLECTIONS OF A BACHELOR.**  
You can't always judge of a dress by the woman in it.  
A woman's "abriel of agony" sounds more like the squeal of a horse when he is mad.  
If you don't want to know what a man's wife is like, study his taste in his work.

The average old bachelor hates women to hold a baby while his mother fastens her glove than he would to dance on a red-hot stove with a bunch of acrobats.  
When a woman calls on another woman, for the first ten minutes neither of them says anything that the other can remember, because each one is studying the other's dress.  
When a poor young man marries a rich girl all the women say he is mercenary, but when a rich young man marries a poor girl they say he is a fool for the most beautiful thing in the world.

**TO MY WIFE.**  
By Joseph Brennan.  
Come to me, dear, I'm lonely without thee.  
Day-time and night-time I'm thinking about thee.  
Night-time and day-time in dreams I behold thee.  
Unwelcome the waking which ceases to fold thee.  
Come to me, darling, my sorrow is to fold thee.  
Come in thy beauty, to bless and to brighten;  
Come in thy womanhood, meekly and lowly;  
Come in thy loveliness, quietly and holily!  
Rueful will fit round me desolate rain.  
Telling of Spring and its joyous raney-raney.  
And thoughts of thy love and its manifold treasure.  
Are filling my heart with a promise of pleasure.  
Oh, spring of my spirit! Oh, May of my bosom!  
Shine out on my soul till it bourgeons and blossoms.  
The past of my life has a rose-root within it.  
And thy loveliness alone to the sunshine can win it!
